New Mexico Demands Statehood of the 57th Congress.

Poor Berger, he still has nightmares.

President Roosevelt has returned to Washington and reports young Teddy out of danger.

While the rest of the world are having Klondyke weather, New Mexico is basking in God's true sunlight.

The re-appointment of A. M. Berger for district clerk, of this, the first district, is well received. He is competent and is courteous to all.

El Paso who receives most of her support from New Mexico, is still fighting this territory. If the Culberson-Stephen bill should pass congress, robbing New Mexico of her water right, El Paso would not stand among the large cities of the southwest.

Prince Henry, brother of Emperor William of Germany, has sailed for this country to be present at the launching of the Emperor's private yacht which is being built in this country. Miss Alice Roosevelt will have the honor of christening the yacht.

TAOS COUNTY WEALTH.

East of Rio Arriba and north and northeast of Santa Fe is fruitful Taos county, which is traversed by the Santa Fe division of the Denver & Rio Grande railroad, and is reached from this city by good wagon roads. In this resourceful county are found the Ojo Caliente mining district, the Amizett gold and silver mining district east of Tres Piedras, and the cluster of rich gold district north and north east of Taos, known as the Rio Hondo, Keystone, La Belle and Red River. —Daily Mining Record.

WASHINGTON LETTER.

STATEHOOD.

The Denver Republican speaks good word for the territory.

The advocates of statehood in New Mexico, Arizona and Oklahoma have reasons to feel encouraged at the favorable aspect of affairs since their joint cause was laid before congress.

The house committee on territories will report on the statehood bills February 21, it is said, and there is little doubt that this report will be favorable. Had there been any active opposition to the admission of the three territories it would have developed in the committee before this time. Regarding the claims of Indian Territory there seems to be no sentiment in favor of admitting it as a part of Oklahoma. Instead, separate territorial rights are likely to be granted.

No doubted the admission of New Mexico, Arizona and Oklahoma as states will have a wonderful effect upon all three territories. It will stimulate general activity and will create a healthy interest in the selection of the best candidate for office. Better government will result, and better government will mean better inducements for capital and labor. There is no doubt that all three of the territories will make progressive states, as their natural resources are practically limitless. The present session of congress can do no better work than adding three stars to the American flag. No legislation now pending demands more unanimous action or will meet with wider approval.

By the way, the prosperity of New Mexico, Arizona and even Oklahoma will also be of great benefit to Colorado, for if the country round about the Centennial state is prosperous and growing, the Centennial state will continue prosperous too.

NOTICE OF PUBLICATION,  
Red River, Territory of New Mex.  
January 22nd 1902.

To Daniel A. McKay, His  
Heirs or Executor:

This day appeared before me, B. F. Hatch and makes affidavit that said Daniel A. McKay is justly indebted to him in the sum of one hundred dollars after allowing all offsets and credits, and prays for judgement and execution for same and unless you appear before me on or before the 26 day of March, 1902, and answer to said complaint, judgement will be rendered by default.

W. J. Floyd, J. P. for Precinct No. 18, Taos County, Territory of New Mexico.

NOTICE.

To Whome It May Concern.

The Annual work and proof of labor having been made on the Comstock No. 1, and 2 and the Girard No. 1 claims and grouped for the year 1901. All prospectors and others, that wish to develop their muscles or study the geological formation of the above properties, can do so by applying to the undersigned, otherwise they will be trespassing and will be liable to prosecution under the laws provided by statute.

Respectfully,  
Jno. Conley.

Americans in India have decided to present to their city statutes of Longfellow and Hawthorne.

NOTICE FOR PUBLICATION.

M. A. NO. 112.

United States Land Office, Santa Fe, New Mexico, Oct 11, 1901.

Notice of Application for United States Patent.

Notice is hereby given, that in pursuance of Chapter six of Title Thirty two of the Revised Statutes of the United States, that John Conley, whose post office address is in Red River, Taos County, New Mexico, claiming fourteen hundred and fifty nine and seven tenths linear feet of the Anaconda No. 3 Quartz Vein, lode or mineral deposit, bearing copper and gold, with surface ground three hundred feet in width, lying and being situated in the Red River Mining District in the county of Taos and Territory of New Mexico, has made application for United States Patent for the said mining claim, which is more fully described as to metes and bounds, by the official plat thereto posted on said mining claim and in the office of Register of the United States Land Office at Santa Fe, and by the official field notes of survey thereof now filed in the office of the Register of the United States Land Office at Santa Fe, New Mexico, which field notes survey describe the boundaries and extent of said claim on the surface, with magnetic variation at 13 deg. 48 min. 34 sec. east, as follows:—

Beginning at the north east corner No. 1, a porphyry stone 4x3x7 ins. in size, in the ground with mound of stone 2 ft. high around it, marked x on top and 1-108 on west face for corner No. 1, whence,

U. S. L. M. No. 2, in the Red River Mining District, in Taos County, New Mexico, bears N. 1 deg. 50 min. W. 2286.0 ft.

Cor. No. 1, east, No. 1072, Esther Ledge which is a spruce post 5 ins. square 32 ft. long set in lbs. in the ground and scribed 1-1072 bears S. 45 deg. 48 min. E. 108.5 ft.

Cor. No. 2, S. 45 deg. 48 min. E. 108.5 ft. above ground scribed S. 45 deg. 48 min. E. 108.5 ft.

Thence west, variation 13 deg. 45 min. E. 108.5 ft. to corner No. 2, a porphyry stone 2x6x5 ins. in the ground with mound of stone around it, 2 ft. high, marked x on top and 2-108 on east face.

A spruce tree 15 ins. in diameter blazed and scribed x B. T. 2-108 bears S. 45 deg. 48 min. E. 108.5 ft.

A spruce tree 8 ins. in diameter blazed and scribed x B. T. 2-108 bears S. 45 deg. 48 min. E. 108.5 ft.

Thence south, variation 13 deg. 45 min. E. 108.5 ft. to cor. No. 3, a spruce post 3x6 ins. square 31 lbs. long set 18 ins. in the ground, with mound of earth around it, scribed 3-108 for cor. No. 3.

A spruce tree 18 ins. in diameter blazed and scribed x B. T. 3-108 bears S. 45 deg. 48 min. E. 108.5 ft.

A spruce tree 14 ins. in diameter blazed and scribed x B. T. 4-108 bears S. 45 deg. 48 min. E. 108.5 ft.

Thence north, variation 13 deg. 45 min. E. 108.5 ft. to cor. No. 4, the place of beginning. Containing an area of 10,322 acres.

The notice of location of said Anaconda No. 3 quartz mine is record in the office of Probate Clerk and Recorder of Taos County, New Mexico, in Book 19 of page 120. The ownership and additional notice of location is recorded in the office of Probate Clerk and Recorder of Taos County, New Mexico, in Book No. 22 at page 259.

The presumed general course of direction of said Anaconda No. 3 quartz vein, lode or mineral deposit, sustained upon the plat posted upon Red River claim and filed in the office of U. S. Land Office at Santa Fe, New Mexico, as near as can be determined from present developments. This claim being for four thousand and thirty acres and seven one-hundred-and-fifty-four square rods thereof, together with surface ground three hundred feet in width as shown on the official plat posted upon Red River claim and filed in the office of U. S. Land Office at Santa Fe, New Mexico, as near as can be determined from present developments. This claim being for four thousand and thirty acres and seven one-hundred-and-fifty-four square rods thereof, together with surface ground three hundred feet in width as shown on the official plat posted upon Red River claim and filed in the office of U. S. Land Office at Santa Fe, New Mexico, as near as can be determined from present developments. This claim being for four thousand and thirty acres and seven one-hundred-and-fifty-four square rods thereof, together with surface ground three hundred feet in width as shown on the official plat posted upon Red River claim and filed in the office of U. S. Land Office at Santa Fe, New Mexico, as near as can be determined from present developments. This claim being for four thousand and thirty acres and seven one-hundred-and-fifty-four square rods thereof, together with surface ground three hundred feet in width as shown on the official plat posted upon Red River claim and filed in the office of U. S. Land Office at Santa Fe, New Mexico, as near as can be determined from present developments. This claim being for four thousand and thirty acres and seven one-hundred-and-fifty-four square rods thereof, together with surface ground three hundred feet in width as shown on the official plat posted upon Red River claim and filed in the office of U. S. Land Office at Santa Fe, New Mexico, as near as can be determined from present developments. This claim being for four thousand and thirty acres and seven one-hundred-and-fifty-four square rods thereof, together with surface ground three hundred feet in width as shown on the official plat posted upon Red River claim and filed in the office of U.
